Grant Administration Services

GrantWorks provides comprehensive grant management services spanning the entire lifecycle, from project identification, selection, grant writing, and application development to grant administration and closeout. Over a span of 43+ years, we have successfully leveraged our proven people, processes, and tools to manage over \$8 billion in complex projects and programs. Our services include:

Grant Program Management

Our empowered employees and executive team will work with you to make decisions in your best interest, effectively navigating the complex labyrinth of rules, regulations, eligibility determinations, & reporting requirements tied to federal funds.

Grant Application Services

Our top-rated application & implementation team stands ready to assist with application research, coordination, and writing to obtain optimal funding and/or vendors for your critical project needs.

Financial Guidance

We help identify and leverage additional grant opportunities and combine or “braid” funds from varying sources to fund individual projects, allowing you to optimize your investments and maximize the impact of every grant received.

Compliance & Project Closeout

We help you avoid non-compliance scenarios that can result in a wide range of unwelcome outcomes, including costly schedule delays, unfavorable public disclosures, notices of regulatory findings, & federal funds’ clawback.
