## Avoid Government Clawback

**Your local government has been identified as having only obligated 33% or less of your ARPA funds.**

Did you know that American Rescue Plan Act (ARPA) State & Local Fiscal Recovery Funds (SLFRF) must be **100% obligated** by December 31, 2024?

**Obligation: According to the U.S. Treasury S35.3, is an order placed for property and services and entering into contracts, sub-awards, and similar transactions that require payment.**

This means local governments must budget all received ARPA funds **AND** must enter into a service agreement, contract, or purchase order by the end of 2024 or the "unobligated" funds will be returned to the U.S. Treasury.
